Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Anthropology And Global Counterinsurgency

Facing prolonged insurgency, segments of the U.S. military have taken a new interest in anthropology, prompting intense ethical and scholarly debate. Inspired by these issues, the essays in Anthropology and Global Counterinsurgency consider how anthropologists can, should, and do respond to military overtures, and they articulate anthropological perspectives on global war and power relations.

(PDF) Anthropology and Global Counterinsurgency | Jeremy F ...

Hoping to revitalize counterinsurgency theory and practice, the post-Rumsfeld Department of Defense has called for the production of "knowledge of the cultural 'terrain,'" in General David Petraeus' words. Simultaneously, global war and governance have emerged as significant objects of ethnographic and theoretical interrogation.

Anthropology and Global Counterinsurgency

Both ethics-based, and political-based arguments against using anthropology for "soft" or "hard" forms of counterinsurgency in the current context are considered in light of anthropology's disciplinary history and our understanding of the uses of anthropological knowledge by state powers striving for control in global economic power struggles.

Anthropology and Global Counterinsurgency

Anthropology and Global Counterinsurgency is the title of a very interesting conference that is about to take place at the University of Chicago. It will be extremely disappointing if the conference organizers and/or participants decide not to make their papers available on the Web, given both the timeliness of the conference and the fact that papers published in locked down (closed access) sources will likely have a marginal impact on what has become a very public debate.

Anthropology and Global Counterinsurgency: Paper Abstracts ...

Anthropologists in counter-insurgency situations have pretty universally failed to apply any critical perspective to their employers' principles, accepting as a given the reality that counter-insurgency attempts to impose.
