The risk of international sanctions has always been considered a potential deterrent. Such sanctions have been implemented against the pa, Afghanistan under the Taliban, Syria, and Iran. However, without the total commitment of the international community, it is doubtful that such measures will ever have any real effect.

Deterring Terrorists | Hoover Institution

International terrorism poses an increasingly dangerous and difficult threat to America. This was underscored by the December 1999 arrests in Jordan and at the U.S./Canadian border of foreign nationals who were allegedly planning to attack crowded millenium celebrations.

Countering the Changing Threat of International Terrorism

This article presents a comprehensive strategy for deterring terrorist networks. It begins by conceptualizing deterrence as it relates to the war on terror. It then details four categories of...

With contributions from leading researchers in the field, it integrates the most advanced thinking on deterrence with rich empirical studies of the handling of contemporary terrorist problems."—Paul R. Pillar, Center for Peace and Security Studies ...

Deterring Terrorism: Theory and Practice by Andreas Wenger ...

For President George W. Bush, the attacks of September 11, 2001, reinforced the threat emanating from rogue states on all fronts. By using such rhetoric, the president has alerted the American public and the international community to the dangers posed by a class of countries constituting what he calls an "axis of evil."
