Parenting for a Peaceful World: Amazon.co.uk: Robin Grille ...

This power has the potential to change our world to one of peacefulness. In fact, all the accumulated bombs and military hardware of the world do not wield as much might to create peace in the world as that of an equivalent number of parents raising their children to uphold the principles of peace, compassion, mindfulness and love.

Parenting For a Peaceful World - EzineArticles

In clear and compelling language Robin Grille explores the childhood origins of human action and choice, from its violent to its most humane. Grille draws on new research to argue that the safeguarding of children's emotional development is the key to creating a more peaceful and harmonious world. Add library to Favorites
