Status Anxiety Alain De Botton

Status Anxiety. This is a book about an almost universal anxiety that rarely gets mentioned directly: an anxiety about what others think of us; about whether we're judged a success or a failure, a winner or a loser. This is a book about status anxiety. We care about our status for a simple reason: because most people tend to be nice to us according to the amount of status we have (it is no coincidence that the first question we tend to be asked by new acquaintances is 'What do you do?').

Status Anxiety - Alain de Botton

De Botton's book, "Status Anxiety", is a modern day approach to what has become an obsession, "keeping up with the Jones". Moral confusion and materialism are two different sides of the same coin and we only learn to reorient ourselves as we mature.

Alain de Botton's Status Anxiety, first published in 2004, remains a thought-provoking and helpful text as I continue to think about happiness (and its absence.) De Botton, "a philosopher of everyday life," seeks in this book to acknowledge the intensity of status anxiety in contemporary Western society, to explore its causes, and to suggest some means of relief.

'Status Anxiety' was the third book from de Botton that I read. This is one of the few books that I put in the special list of 'manuals of life'. With a clear an easy language, de Botton use philosophy to deal with the problems of our days. It's not 'cheap' as many of the self-help books. No, Alain use a more deep approach.
