Arts This Week: 'Artists At Work' And Anjimile

This piece is one of the first in a long tradition of carved wood art. Nowadays, artists continue to work in this timeless medium. Some, like Damiano Taurino, carve and treat the wood so that it has a smooth, cloth-like appearance. Others celebrate its jagged form and incorporate it directly into their work.

British artist Cathryn Shilling is known for her bold and experimental "woven" techniques that produce art work resembling fabric more than glass. Shilling first studied glass in Connecticut, though her personal style and career didn't take off until 2004, when she returned to England and joined Peter Layton's London Glassblowing Studio.
