Too big to fail is a phrase used to describe a company that's so entwined in the global economy that its failure would be catastrophic. Big doesn't refer to the size of the company, but rather it's involvement across multiple economies. Former President George W. Bush's administration popularized "too big to fail" during the 2008 financial crisis.

Too Big to Fail: Definition, Examples, Banks

"Too big to fail" is a fascinating business drama from the high-quality HBO stable who seem incapable of producing bad programmes. It has a tight script, is finely paced and the stellar cast who completely inhabit the allotted roles given to them.
