### West Versus Far East Early

Our primary conclusions are as follows: (1) in contrast to the West, no international integration of the grain markets existed in the Far East during the Early Modern Era; (2) significant levels of domestic market integration were reached in some Far Eastern countries; (3) integration of the domestic grain markets may be reached through various combinations of agents and policies with dissimilar effects on long-run economic growth, which are better in the West and worse in the Far East.

- The West is young whereas the east is old.
- The east is contemplative whereas the west is emotive as far as their religions and cultures are concerned.
- In Eastern countries, one can identify collective cultures whereas in the West it is more individualistic.

## **Difference Between East and West | Compare the Difference ...**

In sociology, the East-West dichotomy is the perceived difference between the Eastern and Western worlds. Cultural rather than geographical in division, the boundaries of East and West are not fixed, but vary according to the criteria adopted by individuals using the term. Historically, Asia (excluding Siberia) was regarded as the East, and Europe was regarded as the West.

## **East-West dichotomy - Wikipedia**

The term "Far East" came into use in European geopolitical discourse in the 12th century, denoting the Far East as the "farthest" of the three "east", beyond the Near East and the Middle East. Likewise, in Qing Dynasty of the 19th and early 20th centuries the term " Tàixī ( 泰西 )" - i.e. anything further west than the Arab world - was used to refer to the Western countries.

History of East Asia Introduction Cultural Foundations. Greco-Roman culture is the foundation of Western civilization; all Western nations (despite their immense diversity) therefore have much in common, culturally speaking. Several other large regions of the world, namely South Asia, East Asia, and the Middle East, also feature a shared cultural foundation (see Global Civilizations).

## **History of East Asia | Essential Humanities**

The West's engagement with the East of course goes back centuries, to the early Jesuit missionaries. They were of course very rare individuals. If you look at the 18th century view of the East - read Voltaire, for instance - they knew a bit, enough to idealise China or India, but you can't claim they were well informed.
